

**Your alternative to using plastic sacks for managing, storing and distributing donations around your retail estate.**

- No more single-use plastic sacks
- Complete end of life management
- Robust and durable with a closed loop system
- Developed specifically for the Charity Sector
- Registered design
- Made from recycled content
- Recycled and on-going replacements forever\*
- Holds 6-8kg with a strong zip closure
- Colour coded for easy stock identification
- Available in plain, red, yellow, orange, blue and green

used last year by the charities we worked with for sorting and storing textiles and clothing.

\*Based on acceptable wear and tear

ROYAL  
TRINITY  
HOSPICE  
London

## 3 Simple Steps: Rent It. Use It. Return It.

- 

- ## How Upfront Purchases Work

- **Costs £1.98 per bag**
- No contract
- Includes cost of collecting the bags once 20 bags are ready for return
- Damaged bags are recycled and turned into waste bins for children's playgrounds
- New bags can then be re-purchased for £1.98

### Currently in trials with:

ROYAL  
TRINITY  
HOSPICE  
London

**The  
Children's  
Society**

## SCOPE

St Luke's
